Dear Parents & Guardians:

The federal **No Child Left Behind Act** requires us to notify all parents of the following:

- All instructional staff have obtained full state certification as a teacher (including certification obtained through alternative routes to certification) or passed the state teacher's licensing examination, and hold a license to teach in our state. No teacher has had certification or licensure requirements waived on an emergency, temporary, or provisional basis. Teachers who are on staff and instruct students are highly qualified as defined by the State of New Jersey and the **No Child Left Behind Act**.

If you have any questions or concerns about this information, please feel free to contact me directly.

Very truly yours,

Misty Weiss  
Superintendent
