Dear Families,

Welcome to Second Grade! I am super excited to welcome you and your child to my class! I am confident that we are going to have a wonderful year filled with lots of growth and change! In order to do this, we need to make sure to keep an open line of communication all year long.

Attached you will find a student supply list. I am requesting the materials your child will need for the entire year, in the hopes that we can replace and replenish their pencil boxes as needed. Please try to follow the list as closely as possible. I have only requested items that I know to be useful and in the sizes that I have found best in previous years. As the year goes on, I may send home a request for something here or there, but I hope that this list will cover most, if not all, of your child's needs this year.

If you have any questions or concerns over the summer, please feel free to email me: lmiller@woodlandboe.org. I hope you and your child have a fun, relaxing summer, and I look forward to working with you next year!

Sincerely,

Ms. Leighann Miller

******Please label ALL items with your child's name******

****Second graders need to bring a healthy snack every day. This would include a drink (water), and something to eat (veggies, fruit, chips, pretzels, etc). Sugary treats (such as cookies, brownies, pudding, Gatorade or sugary drinks) are better suited for lunch, and **will not** be permitted for snack. If you are unsure whether it's a healthy option, just send me an email and I will happily get back to you!**

I have also attached a Summer Reading Bingo Board if you would like to use as extra support for your students over the summer. This does not need to be turned in, it is solely for encouraging them to read.
