***Please **do not** purchase a planner! We will supply students with a free planner and they must use it! If they lose it, they will have to purchase a new one from the school. This summer, **read every day for at least 30 minutes!** Read anything that interests you, but read! This is a great way to keep your mind sharp over the summer. See you in September!

Thank you for your cooperation. I look forward to working with your child next year.
