Describe how the LEA ensured that the plan is in an understandable and uniform format; is to the extent practicable written in a language that parents can understand or if not practicable to provide written translations to a parent with limited English proficiency will be orally translated for such a parent; and upon request by a parent who is an individual with a disability as defined by the ADA will be provided in an alternative format accessible to that parent. (688 of 1000 maximum characters used)					
The Woodland Township Board of Education incorporated language from "The Road Back Plan" in its current plan as "The Road Back" had already been carefully drafted in a clear and concise format. Our plan was organized to be understandable to parents and stakeholders alike, as well as to be logical and uniform in its presentation. The district can and will provide translations to any parent with limited English proficiency, both written and oral as necessary. All practicable accommodations will be made to provide an alternate format to any individual with a disability as defined					
Briefly describe any guidance professional learning and technical assistance opportunities the LEA will make available to its schools. (379 of 1000 maximum characters used)					
Professional Development opportunities for district staff will focus on Social and Emotional Health for the 22-23 school year. District staff will be encouraged to continue developing community and family involvement. Technology training will continue to be available to assist staff with learning and enhancing current educational technology platforms to deliver instruction.
