SAFE RETURN TO IN-PERSON INSTRUCTION					

(1) IN GENERAL - A local educational agency receiving funds under this section shall develop and make publicly available on the local educational agency's website, not later than 30 days after receiving the allocation of funds described in paragraph (d) (1), a plan for the safe return to in-person instruction and continuity of services.

2) COMMENT PERIOD.—Before making the plan described in paragraph (1) publicly available, the local educational agency shall seek public comment on the plan and take such comments into account in the development of the plan.

Support for Schools: Describe how the LEA will support its schools in safely returning to in-person instruction and sustaining safe operation. This description must include:

For each mitigation strategy listed below, please describe how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policies, on each of the following safety recommendations established by the CDC.

LEA Response Table

1) Universal and correct wearing of masks
(339 of 1000 maximum characters used)

Masks will be required for all individuals at Woodland Township School District. Wearing masks is strongly encouraged for unvaccinated individuals. We recommend that all eligible students and staff be vaccinated. Being vaccinated against COVID-19 will help to better ensure a student's education is not disrupted by the need to quarantine.

2) Physical distancing (e.g., including use of cohorts/podding)
(278 of 1000 maximum characters used)

Given the student population of Woodland Township School District, we will continue to enforce social distancing of 6 feet within our classrooms. Woodland Township School District will continue to follow the guidance of the state of New Jersey in regards to social distancing.

3) Handwashing and respiratory etiquette
(736 of 1000 maximum characters used)

The faculty, staff, and students at Woodland Township School District shall utilize good hygiene techniques/practices. All faculty, staff and students are to use hand sanitizing stations frequently and practice the appropriate protocols for the use of proper handwashing techniques. Shared objects, such as PE materials and shared classroom materials must be wiped down

4) Cleaning and maintaining healthy facilities, including improving ventilation
(998 of 1000 maximum characters used)

Approaching maximum character limit.

All classroom surfaces will be wiped down with sanitizing wipe at the conclusion of each use

All student personal desks will be wiped down:

- Prior to eating anything in that space
- At the conclusion of eating in that space

5) Contact tracing in combination with isolation and quarantine, in collaboration with the State, local, territorial, or Tribal health departments
(978 of 1000 maximum characters used)

Approaching maximum character limit.

Staff and students will be required to submit an initial COVID19 screening at the start of the school year. After that, staff and families will conduct a daily self-screening for symptoms and stay home when they are sick
School district will follow all NJDOH COVID-19 Public Health Recommendations for Local Health Departments for K-12 Schools

6) Diagnostic and screening testing
(999 of 1000 maximum characters used)

Approaching maximum character limit.

Children and staff with COVID-19 symptoms should be placed away from others and asked to wear a face covering/mask until they can be sent home. All students' noses and mouths should be covered with a mask or cloth face covering. If a mask is not tolerated by the ill student or staff member due to their illness, other staff should be sure to adhere to the universal face covering policy and follow social

7) Efforts to provide vaccinations to educators, other staff, and students, if eligible
